Notes for Joseph White:

Joseph White married twice: 1. Edith 2. Jane Malpas - Witnesses to marriage: John and Hannah Malpas Tried to find out about his occupation as a Thatcher. He must have worked for Lord Seagrave and so I wrote off to: 1. Glos. County Council enquiring about Lord Seagrave - no luck. 2. Bodleian Library - University of Oxford - no luck. 3. Faxed to Royal Commission on Historical Manuscripts, Chancery Lane, London. No information on Joseph White at all. Joseph buried in St George's Churchyard, Upper Cam. A memorial built to him by The Right Honourable Lord Seagrave. "In memory of Joseph White of this Parish, Thatcher; who died the 12th June 1837 aged 103 years. This stone erected by the Right Honourable Lord Seagrave to perpetuate so remarkable an instance of longevity". However in the Cam burial records, Joseph is stated as having died aged 97 on 15th June 1837! It is definitely possible that there wasn't anyone around who could remember exactly how old he was!

Notes for Ann Barnfield:

Unable to find Ann's birth/baptism so wrote to David Childs (ref. BigR 1997) who
requested info. on Barnfield's in Cranham, Glos. Mr Childs wrote back unable to help

name one of their daughters after her!

He married Elizabeth Gainer, daughter of John Gainer and Tabitha Cox, on 04 Feb 1827 in Stinchcombe, Gloucestershire. She was born in 1808. She died on 30 Jun 1850 in Lower Cam, Gloucestershire.

Notes for Thomas White:

Thomas himself has been a Family Historian's nightmare - he was never included in any census entry with his family (nor elsewhere in the whole county in 1851, nor in the immediate area 1841 or 1861) and was buried "aged 53", 40 years after his marriage! His parents-in-law seemed to have disapproved of him, leaving his wife her inheritance "for her own and sole use and not for her Thomas White" - whether they couldn't bring themselves to call Thomas her husband or the word's omission was merely a clerical error we shall never know. Mary (granddaughter of Hester White-Cox) told us there was a family tale that Thomas had worked in London as a Stonemason, one of many Gloucestershire Stonemasons employed on the re-building of the Houses of Parliament following the Great Fire there in 1834. To date, we have been unable to prove or disprove this theory. All we can say is that the dates fit beautifully - and Thomas did die quite a wealthy man for the area which also ties in with the high wages of the skilled Masons at Westminster. It would also explain his frequent absences from his family. Incidentally, his two sons George William and Augustus Frederick are also missing from the Cam area for the 1861 Census and we wonder if they weren't in London as well? The sole occasion that we have managed at last (Hilary Theyer's found him in October 1994, after 10 years search) to pin Thomas down at all was at Christmas 1844, when both he and his wife were held in Gloucester Gaol until the Epiphany Assizes - not because Thomas couldn't provide bail money, but because he wouldn't!! After all that, they were both found not guilty of the assault charge and acquitted. The age Thomas gave to the gaol was 39, making him born about 1805, if he was telling the truth! We are almost sure that John and Ann were his parents but can't prove it as we can't find his birth/baptism. However: 1. John & Ann were married and had their first two children

Generation 3 (cont.)

baptised in Coaley and then moved to Cam - but - there is a gap in their offspring 1804-11 which is both unexplained and unfilled. We know they had a daughter Charlotte whose baptism we are missing, as she gives John the Thatcher as her father at her second marriage. Thomas the Stonemason would fit neatly into this gap too, as would Henry White, another Thatcher. All building trades..... 2. In the 1841 Census, Thomas is missing (as usual), Elizabeth and the younger children are at the Yew Tree with her parents, but Addarina (their eldest child) is staying with John and Ann for the night. The conclusion that John & Ann are her paternal grandparents is easy to jump to. 3. John the Thatcher's youngest sister (Ann) married a Samuel Pearce in 1810. John the Thatcher's son Charles called his youngest son Pearce William. That surname-turned-Christian name turns up again in the family, with Augustus Frederick and Clara's youngest son, Alfred Pearce, known as Pearce. There is a definite link! Most inexplicable of all - following Elizabeth (nee Gainer's) death in 1850 (incidentally the Informant of her Death Certificate was her mother, not her husband as you'd expect - he's disappeared yet again!) the family has been completely split up by the time of the Census in March 1851. We've lost the eldest daughter Addarina, altogether: George William is still at the Yew Tree working with his Uncle John Gainer, a Carpenter: Evelina is living with her grandmother Tabitha Gainer in Stinchcombe and working as a Dressmaker; and the youngest three: Augustus Frederick (11), Georgiana Caroline (9) and Lavinia Elizabeth (6) are given as "Residents" living with William Pegler aged 45 and his wife Elizabeth aged 44 and their children. Were William and Elizabeth relations, or had they just taken the children in out of kindness? Who was paying them for the upkeep of the children, if anyone? However Augustus Frederick was earning his keep by working as a Mortar Boy. 27. **CHARLES FREDERICK⁵ WHITE** (Charles⁴, Charles³, John², Joseph¹) was born on 18 Jun 1876 in New Swindon, Wiltshire. He died on 17 Aug 1929 in Monroe, Rochester State, New York, USA. He married Lavinia Elizabeth Pullen, daughter of Richard Pullen and Elizabeth Watson-Turner Gingell, on 24 May 1902 in The Parish Church, Camden Town, Pancras, London. She was born on 19 Jan 1878 in Gorse Hill, Stratton St Margaret, Wiltshire. She died on 27 May 1964 in Rochester, New York, USA.

Notes for Charles Frederick White:

Baptised with his sister Ellen (my great gran) in Rodbourne Cheney, Wiltshire. Charles (Uncle Fred) married Lavinia (Aunt Viney) Pullen and emigrated to America (Rochester - New York). I contacted, back in 1992, the Rochester Public Library who were then unable to help me. Upon checking through Gran's letters and photos I found new information with which I wrote again to the Library. On 21/2/1997 I had a reply from Pamela O'Sullivan, Local History Division, who gave me the following information: "In the Rochester Suburban Directories of 1955, 1960 and 1965, there is listed at 38 Newfield Drive in Greece, a William Edward White and his wife Celeste (William, son of Fred & Viney). William was employed as a research physicist by Eastman Kodak Co. I did not find him after 1965. I also checked the Rochester City Directory every 5 years, beginning with 1900. There were various listings under Charles F. White; in some cases, two or three. Unfortunately, wives were not listed prior to 1918. Beginning with the 1920 directory then, I located a Charles F. White, wife Lavinia; he was a woodcarver and resided at 244 Driving Park Avenue (1920) and 619 Augustine Street (1925). The 1930 directory indicated that he had died 17/8/1929; a copy of the death notice is enclosed. (This is on file) The 1935 directory indicated that Lavinia, widow of Charles, resided at 100 Oriole Street. She was not listed in the 1940 directory. I hope this is of some help. If you would like a more thorough search, you may want to contact one of the researchers listed in the enclosed brochure". Death Notice for 18/8/1929: WHITE - In this city, August 17 1929, after a long illness, Charles F. White. He is survived by his widow Lavinia Pullen, two sons Charles F. and William E. White. Funeral from the family residence 619 Augustine Street, Monday afternoon at 3.30. Internment in Riverside. Contacted Researcher in Michigan, by the name of Joanne Harvey early in 1999. Gave her all the information on the White Family. Used her as Eddie attended the University of Ann Arbor, Michigan and thought she would be in a suitable position to find info. for me. She tried, without success unfortunately, to find the family and we came up against a brick wall in October 1999, with the wrong Lavinia White being found. She suggested I contact a couple of other researchers, one in New York by the name of Linda Templer-Alexander and the other in Canada, as it is possible the family emigrated to Manitoba at some stage. The New York researcher is brilliant. She found the death of Richard, Charles' son in 1918 and he died of a brain tumour aged 10 years old. Also in records are ashes buried in Charles' grave of one "Elizabeth L. White" in 1964. Linda wrote again December 1999. Unable to find obituary for Aunt Viney as pages were missing - possibly get them from the local college library in the next few weeks. Linda writes "A check of the 1910 Federal Census for the Town of Wayland, Steuben County, New York on sheet 1a for the Supervisor District No. 17, Enumeration District No. 163 taken by Sprague E. Patchin on 15-16 April 1910 shows in dwelling 2, family 2, Charles Frederick and Lavinia White listed as married for 8 years with sons Frederick and Richard, being 5 & 3 years old, respectively. Both boys born in New York State. In column 15 noted that the couple says they came to the country in 1904. Column 16 states that Charles

Frederick White has become a naturalised citizen." Also "in the 1910 Federal Census, Charles Frederick White is listed as working in a chair factory.". Success in finding his tombstone in Section P-9 #727. This reads: Charles F. White 1876 a Masonic Emblem 1929 May get further info. from the Masons as they keep excellent records. See notes on Lavinia (Viney), success at January 2000.
